

TruSens™ Z-2500

WELCOME TO CLEANER AIR.

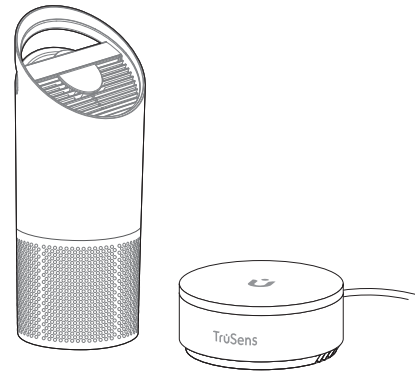

SensorPod™, PureDirect™ Technology, and DuPont™ HEPA Filtration ensure that the whole room benefits from cleaner air. You're always in control with Alexa device voice commands and the TruSens App remote functions.

EN

IMPORTANT: Before operation, follow these steps and read our TruSens Owner's Manual at www.trusens.com/support/owners-manuals.

Included in your box

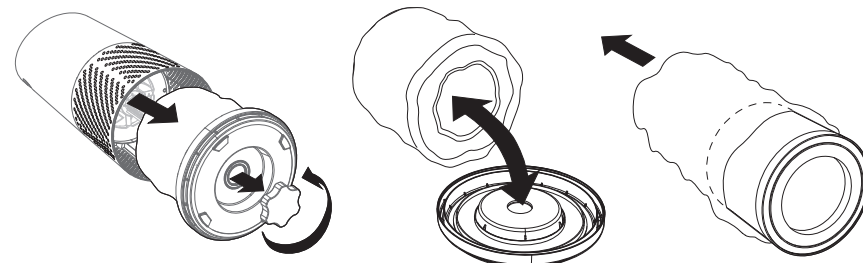

- 1 Air Purifier + Power Cord
- 1 SensorPod + Power Cord

Download the TruSens app and follow the instructions to connect a smart device to your purifier.

1) Remove plastic bag from filter

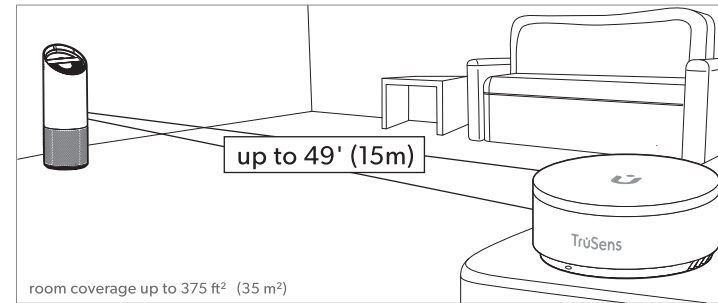

Unscrew knob, loosen bottom cover, and remove plastic bag from filter.

2) Re-attach filter

Secure filter on bottom cover, slide both into purifier, and reattach knob.

3) Set up

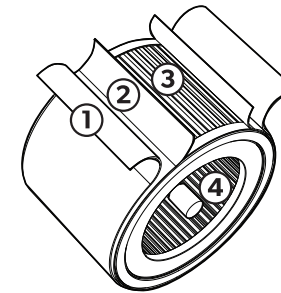

Plug in your air purifier unit and power on. Plug in your SensorPod. For optimal results, place SensorPod on tabletop or counter across the room, within sight of the purifier. Signal strength may vary by location.

Download the TruSens app and follow the instructions to connect a smart device to your purifier.
